Address: H.No. 2-5-860, Barkat Pura,  
WaghiRoad Nanded-431601, India

## SUMMARY

---

I am an experienced Java Developer with a solid foundation in Data Structures and Algorithms (DSA) and Java. I have a proven track record of developing Java-based applications, including web and Android mobile applications, supported by one year of professional experience and six months of internship at Cognizant.

I am passionate about delivering exceptional user experiences through Agile and Scrum methodologies. As a skilled Full Stack Developer, I have expertise in Git, HTML, CSS, JavaScript, MySQL, and Java (Spring Boot). I am eager to expand my knowledge and skill set to contribute to organizational growth and innovation.

## EDUCATION

---

### **BE in Production Engineering**

*D Y Patil College of Engineering Akurdi, Pune*

*Completion - 2022*

### **Diploma in Production Engineering**

*Government Polytechnic Nanded*
